

# Futsal Coaching

Huntington School has teamed up with Pro Coaching Academy to offer Futsal coaching sessions to both boys and girls in Years 7 to 9. The sessions will be on a Wednesday night and will be with Chris Collins, an FA Level 3 Football and Level 2 Futsal coach, who has coached teams reaching the last 8 in a national tournament. We hope to encourage students of all levels to get involved in playing futsal and Chris will look to arrange fixtures against other schools. The first session will start after Easter on Wednesday 13 April at 3:45-4:45 with a second session from 4:45-5:45.

Please let me know if you would like a letter to sign up. The first half term session will be £20 for a seven week block.
