The girls had a fantastic day as ballgirls during the game after winning the day out as a result of winning City of York Girls Football League U11s division by going the entire season unbeaten with 20 wins out of 22.

The U11s also have a cup double in their sights as they prepare for the cup final on May 3, topping off what has been a fantastic season for the team.

Unfortunately, York City couldn't take advantage of the Respect fixture and stumbled to a 1-1 draw after a last-minute Accrington equaliser.

North Riding County FA would like to thank York Railway Institute FC as well as both professional teams for a superb demonstration of the Respect programme.
